

Masterworks Construction Services, Inc. Recognized Among the Nation's Best in the Building Industry for Their Commitment to Customer Service

GuildQuality's 2012 Guildmaster Awards Honors Masterworks Construction Services, Inc.

Long Beach, CA May 20, 2012 – Masterworks Construction Services, Inc., a leading design-build remodeling contractor in Long Beach, CA, has been awarded a 2012 Guildmaster Award for exceptional customer satisfaction. GuildQuality, an independent customer satisfaction surveying company, has powered the Guildmaster Awards since 2005 to celebrate service excellence in the building, remodeling, contracting, and real estate professions.

Masterworks Construction Services, Inc. was one of the nearly 200 home builders, remodelers, developers and contractors throughout North America recognized for their superlative performance by GuildQuality. When Masterworks applied for a Guildmaster Award, they verified that they had provided GuildQuality with a complete and unabridged customer list. In addition, Masterworks achieved a recommendation rate of greater than 90% from their clients surveyed through GuildQuality.

“We are proud to be honored with this award and feel it reflects our goal to meet or exceed our client’s expectations as we help them transform their building vision to reality.” said Bill Leisy, President of Masterworks.

About Masterworks Construction Services, Inc.

Masterworks Construction Services, Inc. is a comprehensive general contractor that provides a full spectrum of residential and commercial remodeling and building services. Masterworks offers Architectural Design, Construction, Landscape Design and Landscape Installation services, but it is our commitment to integrity, quality, trust, and client satisfaction that is the cornerstone of all our projects. Our innovative solutions for our client’s building projects continue to satisfy and impress well beyond project completion. Our work is exceptional, yet what matters most to our clients is our commitment through each phase of the project. We care about the project—and all that it affects—throughout the duration of the project. Our goal is that you will enjoy the building process as much as the end-result. Client satisfaction at every stage of the project is a key to our success.
